I hereby make application for the Membership Classification as indicated above and, upon approval by the Board of Directors, agree to subscribe to the principles and purposes of the Illinois Automatic Fire Alarm Association, Inc. and adhere to the following Code of Ethics:

As an individual and engaged in the fire detection and alarm systems industry, I recognize my responsibility to maintain high standards of reliability in the application of the life safety and property protection systems I provide.

I therefore pledge and ascribe to the following:

- To be honest and fair in all matters with our employees, customers, subcontractors, distributors, competitors and suppliers.*
- To follow nationally recognized Code and Standards, federal, state and local laws and regulations, when designing, supplying or installing fire detection and alarm systems*
- To encourage and support well-founded legislation affecting our industry and the people we serve.*
- To support and participate in the education of those in and regulating our industry.*
- When representing the Association, I will conduct myself professionally and with decorum.*
- Individually, I will strive for high standards of performance and professional competence.*
- I will judge all of my actions based on the question "Is it right?" and "Is it fair?"*

I accept this code freely and pledge to support the IL AFAA in its endeavors to improve the life safety and property protection in Illinois.
